

# Facts About the Red Fox

- 🐾 Red foxes live in family groups in homes called dens.
- 🐾 Their favorite foods are little animals like mice, and small reptiles. They also eat rabbits, raccoons.
- 🐾 They hunt before the sun comes up and after sunset, so you don't see them often during the day.
- 🐾 They have a great sense of hearing and smell, and they can hear a mouse squeak from more than 100 feet away.
